**RE: AMENDED COMPLAINT FOR  
DAMAGES**

1. GENERAL NEGLIGENCE  
ETHICS IN GOVERNMENT
2. PUBLIC ENTITY NEGLIGENCE  
EQUAL ACCESS TO JUSTICE
3. NEGLIGENCE WITH REGARD  
TO SYSTEMIC RACISM
4. DEPRIVATION OF FEDERAL  
CIVIL RIGHTS (TITLE VII OF  
THE CIVIL RIGHTS ACT OF  
1964)

(Assigned to the Hon. Michael T. Liburdi)

## I. INTRODUCTION

1. The notice of claim was filed timely. The Court requested this amended complaint. The Plaintiffs (Robert and Jackie Chagolla) come before the Court because until January 18, 2018, the Plaintiffs were unclear as to the level of participation of Defendants Bryan Cluff, Todd Bates, Sheriff Paul

1 Penzone, the Maricopa County Sheriff's Office, Maricopa County and  
2 any and all other Maricopa County or other actors disclosed by discovery.

3 2. Plaintiffs Robert Chagolla and Jackie Chagolla, bring this action under ,  
4 the Constitutional Right to Due Process in retaining employment while  
5 moving through the Court System due to Hispanic Heritage, a violation  
6 of Title VII of the Civil Rights Act, 1964, and Title 42 US Code Section  
7 1983 Rights to Due Process against the Maricopa County Sheriff's Office,  
8 Maricopa County, Sheriff Paul Penzone, Bryan Cluff, Todd Bates, and  
9 (Clarissee McCormick see CV20-01162-PHX-SMB RE: Title 42 US Code  
10 Section 1983 Rights to Due Process by Committing Abusive Discovery  
11 as Fraud on the Court) for their failure to perform mandatory duties and/or  
12 for the unconstitutional and/or negligent acts and/or omissions of their  
13 officers, officials, agents and/or employees that resulted in the reversal of  
14 a previous decision to reinstate employment and a Maricopa County  
15 Superior Court Minute Entry that is based on the falsified DR0033831.

16 3. This tragic series of events was initiated in February of 2001, when the  
17 previous IA dated December 2000, was destroyed as well as all contents  
18 of Robert Chagolla's employee file. After the February 2001 IA, the  
19 criminal report was falsified as evidenced by the IA interviews based on  
20 the original criminal report.

21 4. The Maricopa County Sheriff's Office has in their possession two  
22 affidavits from Robert Chagolla's only two brothers, that state neither  
23 ever worked as a firefighter, nor did they volunteer as a firefighter or work  
24 or volunteer in a position in the medical field.

25 5. The situation was further exacerbated when Clarisse McCormick, a sworn  
26 officer of the court became a party to these matters and violated her role  
27 as a minister of justice in the "*High-Profile Case* [emphasis added], of  
28 Maricopa County Sheriff's Detective (Robert Chagolla) and colluded

1                   with the Maricopa County Sheriff's Office, Bryan Cluff and Todd Bates  
2                   as a representative of Maricopa County in this matter.

3                   6. Detective Robert Chagolla's fate was sealed when the Maricopa County  
4                   Sheriff's Office failed to release and subsequently destroyed an audio tape  
5                   and a video with audio tape that had been requested by both plaintiffs and  
6                   multiple attorneys since the onset of this matter and Clarisse  
7                   McCormick's omission of the content of the audios of both the tape  
8                   cassette and the audio to the video that per Bryan Cluff she requested all  
9                   copies of including the masters.

10                  7. **During the administrative hearing it was found the Maricopa County**  
11                  **Sheriff's Office falsified an affidavit; to win the hearing.**

12                  8. The moment documents are requested the Maricopa County Sheriff's  
13                  Office had a duty to follow the law and not intentionally destroy those  
14                  records.

15                  9. Clarisse McCormick's acts were in collusion with the Maricopa County  
16                  Sheriff's Office, Bryan Cluff and Todd Bates.

17                  10. This tragedy and the lack of resolution are the by-product of the abuse of  
18                  authority and systemic racism of the Maricopa County Sheriff's Office,  
19                  Paul Penzone's failure to act on the criminal/civil actions of his own  
20                  employees as evidenced by the deposition of Bryan Cluff and Todd Bates,  
21                  the IA interviews of Detective Robert Chagolla, subsequent interviews  
22                  with Robert Chagolla, Jackie Chagolla and the IA interview of the  
23                  detective who actually kicked the subject, in addition to the other  
24                  criminal/civil violations that occurred in this matter.

25                  11. There is not a statute of limitation on falsification of departmental reports  
26                  and/or fraud upon the Court.

27                  12. Detective Robert Chagolla's fate was both foreseeable and preventable  
28                  had the law enforcement agencies, officials and/or officers and county

1 attorney involved simply followed the laws, regulations and/or  
2 procedures which they swore to uphold.

destroyed in 2001; before his termination to include the above IA report

3                   2000, but altered between February 9, 2001 and May 29, 2001 violated  
4                   the Plaintiffs Constitutional Rights to due process and became more about  
5                   terminating him based on the color of his skin and his Hispanic origin  
6                   rather than true facts.

7                   **24.** Robert Chagolla was fired at his home in front of his wife and six of his  
8                   seven children.

9                   **25.** Robert Chagolla and Jackie Chagolla the Plaintiffs submit this

12                  to deprive Robert Chagolla of his Constitutional Right to Due Process  
13                  in retaining his employment while moving through the Court System  
14                  due to his race and therefore, made Robert Chagolla  
15                  unemployed/underemployed causing grave harm to his wife, Jackie  
16                  Chagolla causing her to work multiple jobs to enable her family to  
17                  survive.

18                  **26.** Paul Penzone, Joe Arpaio, Dave Zebro and David Tennyson failed to  
19                  investigate the falsified criminal report and/or provide results to the

26                  Sheriff's Office obtained a copy of Detective Manka's original police
